

Malö 40 picked Boat of the Year – twice – in the USA.

The American yachting magazine Cruising World has awarded Malö 40 Import Boat of the Year as well as Best Mid Size Cruiser in steep competition with a number of other quality boats.

For the 14th consecutive year Cruising World awards Boat of the year in different categories. Malö 40 along with Catalina 309 tops the lists – in all categories. Notably Malö 40 also wins the categories Import Boat of the Year and Best Mid Size Cruiser.

The motivation from the Jury: "a superb job of meeting the needs of long-distance cruising couples in terms of sailing ability, safety, and price."

The Malö 40's system stood out, earning an A rating from judge Ed Sherman, a stickler for detail. He said, "It's a sweet sailing boat. Everything on the boat that we tested was of maximum quality"

For those of us who work with Malö Yachts these awards are very rewarding and at the same time we see this as a confirmation of how we have succeeded in meeting our clients' demands for superior quality and great sailing abilities. It's very inspiring for future ventures says Lars Olsson, CEO Malö Yachts.
