

Letter from Malö Club Holland

– Ett Schoehuizen to chairmen Kay Kjellgard of Swedish Malö Club

Hello Kay,

On behalf of our board of the Malö club Holland of course many thanks for the Malö flags, it was a good start for our cooperation!

We have just had our winter meeting with a program of Yacht Control Holland with a presentation of computer use on board a yacht, it was very interesting !

So we have started now our club with 20 members and we hope to realise a sailing happening in september.

Thank you in advance for your cooperation

Sailor's greetings

Ett Schoehuizen
